

Election Results 2014

The following provisional election results are published by the Local Government Association based on information supplied by the Electoral Commission of SA. Votes are first preference votes cast - not final distributions. In instances in which candidates elected have less first preference votes than others, subsequent preference distributions resulted in their election. Full distribution sheets will be available from ECSA. See note 3 below. All Councils and Wards facing elections are shown - those where results are not yet available will show no results and no votes. Those elected unopposed are included and marked as such.

Note 1: Roxby Downs does not yet have an elected Council hence 67 Councils in this list.

Note 2: Candidates have 72 hours from the provisional declaration to request a formal recount.

Note 3: Information regarding Proportional Representation used for this count can be found here: <http://www.ecsa.sa.gov.au/voting/voting-systems/proportional-representation>
