President's Report

It has been my pleasure to serve as President and Chair once again during 2021-2022.

I wish to thank all S&HLGA member councils, all the elected members and the staff for their strong efforts to support each other and their own communities during these still post covid challenging times.

We have continued the excellent work with many of our important regional programs and projects such as:

- the work of the S&HLGA Roads Working Party and the completion of a new 2030 Regional Transport Plan
- monitoring the current S&HLGA Regional Public Health plan and commencing our new 2022-2027 S&HLGA Regional Public Health Plan
- successfully completing our two critical social inclusion projects and the Community Wellbeing Indicators project. These projects have been well received by the sector and have been award winners.
- implementing and monitoring the region's Climate Change Adaptation Plan and the Resilient Hills and Coasts 2020-2025 Regional Action Plan

We have continued to cement our many regional stakeholder and partner relationships, working very closely with the RDA to further the regional economic growth strategies and Infrastructure Plan, input into our two regional Landscape Boards Strategic and operational plans, continued support for the SA Coastal Councils Alliance as well as maintaining and reviewing key strategy and performance documents such as the Annual Action Items, Annual Budget and completing and endorsing our new 2021-2025 Strategy and Business Plan. These activities are all designed to drive and improve the wellbeing of our communities.

I would once again point out the S&HLGA Value proposition report documents a consistent four figure percentage return on member Council subscriptions demonstrating amazing value for member councils.

S&HLGA has been an active participant on the LGA regional SAROC committee.

Thank you to our Executive Officer, Graeme Martin for his co-ordination and management and drive in supporting the body. He has been ably supported during 2021-2022 by Penny Worland in the Regional Public Health space and Jen St Jack and Olivia Davies as co-ordinators of the Regional Climate Adaption Plan and associated projects. A big thank you to Sara O'Dea who has provided very valuable assistance to the Board.

In closing, I acknowledge and thank all the member councils for their support during the year and acknowledge the ongoing contribution of member Mayors and CEOs to the S&HLGA Board.

SOUTHERN & HILLS LOCAL GOVERNMENT ASSOCIATION

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 30 June 2022

Note 1 - Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial report was authorised for issue by certificate under regulation 14 of the *Local Government (Financial Management) Regulations 2011* dated 31 July 2022.

1 Basis of Preparation

1.1 Compliance with Australian Accounting Standards

This general-purpose financial report has been prepared in accordance with Australian Accounting Standards as they apply to not-for-profit entities, other authoritative pronouncements of the Australian Accounting Standards Board, interpretations and relevant South Australian legislation

The Southern & Hills Local Government Association is a Regional Subsidiary under Section 43 and Schedule 2 of the Local Government Act 1999. The Constituent Councils are the Adelaide Hills Council, Alexandrina Council, Kangaroo Island Council, Mt Barker District Council, City of Victor Harbor and District Council of Yankalilla.

All funds received and expended by the Association have been included in the financial statements forming part of this financial report.

1.2 Historical Cost Convention

Except where stated below, these financial statements have been prepared in accordance with the historical cost convention.

1.3 Critical Accounting Estimates

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates and requires management to exercise its judgement in applying the Authority's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are specifically referred to in the relevant sections of this note.

1.4 Rounding

All amounts in the financial statements have been rounded to the nearest dollar

1.5 Non-Current Assets and Non-Current Liabilities

The Association has nil non-current assets or non-current liabilities.

1.6 Employees

The Association has one employee having converted the CEO from contractor to employee in February 2019.

1.7 Investments

Investments are valued at cost. Interest revenues are recognised as they accrue.

SOUTHERN & HILLS LOCAL GOVERNMENT ASSOCIATION

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1.8 Subscriptions

Clause 6 of the Charter of the Association prescribes that subscriptions (not levies) by Constituent Councils are equal. The Charter has since been amended in January 2022 allowing flexible subscriptions.

Constituent Council Subscription 2022	\$20,000
Constituent Council Subscription 2021	\$13,667

1.9 Income recognition

The Association recognises revenue under AASB 1058 *Income of Not-for-Profit Entities* (AASB 1058) or AASB 15 *Revenue from Contracts with Customers* (AASB 15) when appropriate. In cases where there is an 'enforceable' contract with a customer with 'sufficiently specific' performance obligations, the transaction is accounted for under AASB 15 where income is recognised when (or as) the performance obligations are satisfied (i.e. when it transfers control of a product or service to a customer). Revenue is measured based on the consideration to which the Association expects to be entitled in a contract with a customer. In other cases, AASB 1058 applies when the Association enters into transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives. The excess of the asset recognised (at fair value) over any 'related amounts' is recognised as income immediately, except in the case where a financial asset has been received to enable the council to acquire or construct a recognisable non-financial asset that is to be controlled by the Association.

1.10 Cash

For purposes of the statement of cash flows, cash includes cash deposits which are readily convertible to cash on hand and which are used in the cash management function on a day to day basis.

1.11 New accounting standards for application in future periods

The Australian Accounting Standards Board has issued new and amended Accounting Standards and interpretations that have mandatory application dates for future periods. The organisation has assessed that it is not expected to be materially impacted by those changes.

2 Functions / Activities of the Association

2.1 Revenues and expenses have been attributed to the following functions / activities, descriptions of which are set out in Note 2.2.

2.2 The activities of the Association are categorised into the following broad functions:

Administration: The operation of the Office of the Association and its decision making forums.

Special projects: The research into and implementation of projects prescribed by Acts or regulations or approved by Board decision.

Independent Auditor's Report to the Members of Southern & Hills Local Government Association

Opinion

We have audited the financial report of Southern & Hills Local Government Association ("the Association") which comprises the Balance Sheet as at 30 June 2022, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the Association as at 30 June 2022, and its financial performance and its cash flow for the year then ended in accordance with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Board Members for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Board Members are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Southern and Hills Local Government Association
Independent Assurance Report**

Qualified Opinion

We have undertaken a reasonable assurance engagement on the design and the operating effectiveness of controls established by Southern and Hills Local Government Association ('Association') in relation to financial transactions relating to the receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities, throughout the period 1 July 2021 to 30 June 2022 relevant to ensuring such transactions have been conducted properly and in accordance with law.

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, in all material respects:

- (a) The controls established by the Association in relation to financial transactions relating to the receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities were suitably designed to ensure such transactions have been conducted properly and in accordance with law; and
- (b) The controls operated effectively as designed throughout the period from 1 July 2021 to 30 June 2022.

Basis for Qualified Opinion

The Association sought exemption from the requirement in clause 30 of Schedule 2 of the *Local Government Act 1999*. The Minister granted the exemption on the basis that the Association would periodically review and update its internal controls and encouraged the use of the practical and contemporary guidance material on internal controls issued by the Local Government Association's 'Better Practice Model – Internal Financial Controls'.

The Association's 'Operations Manual – Finance Policy' is available on the Association's website and was last updated in October 2014.

We conducted our engagement in accordance with applicable Australian Standards on Assurance Engagement ASAE 3000 Assurance Engagements Other than Audits or Reviews of Historical Financial Information and ASAE 3150 Assurance Engagement on Controls, issued by the Australian Auditing and Assurance Standards Board, in order to state whether, in all material respects. ASAE 3000 also requires us to comply with the relevant ethical requirements of the Australian professional accounting bodies

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

The Associations Responsibility for Internal Control

The Association is responsible for:

- a) The receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities;
- b) Identifying the control objectives
- c) Identifying the risks that threaten achievement of the control objectives
- d) Designing controls to mitigate those risks, so that those risks will not prevent achievement of the identified control objectives; and
- e) Operating effectively the controls as designed throughout the period.

Our Independence and Quality Control

We have complied with the independence and other relevant ethical requirements relating to assurance engagements, and applied Auditing Standard ASQC 1 Quality Control for Firms that Performs Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements in undertaking this assurance engagement.

Auditor's responsibility

Our responsibility is to express an opinion on the Authority's compliance with Section 125 of the Local Government Act 1999 in relation only to the internal controls established by the Authority to ensure that financial transactions relating to receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities, based on our procedures. Our engagement has been conducted in accordance with applicable Australian Standards on Assurance Engagements ASAE 3000 Assurance Engagements Other than Audits or Reviews of Historical Information and ASAE 3150 Assurance Engagements on Controls, issued by the Australian Auditing and Assurance Standards Board, in order to state whether, in all material respects, the Authority has complied with Section 125 of the Local Government Act 1999 in relation only to the internal controls specified above for the period 1 July 2020 to 30 June 2021. ASAE 3000 also requires us to comply with the relevant ethical requirements for the Australian professional accounting bodies.

Limitations of Controls

Because of the inherent limitations of any internal control structure it is possible that, even if the controls are suitably designed and operating effectively, the control objectives may not be achieved so that fraud, error, or non-compliance with laws and regulations may occur and not be detected. An assurance engagement on controls is not designed to detect all instances of controls operating ineffectively as it is not performed continuously throughout the period and the tests performed are on a sample basis. Any projection of the outcome of the evaluation of controls to future periods is subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

Limitations of Use

This report has been prepared for the members of the Authority in Accordance with Section 129 of the Local Government Act 1999 in relation to the Internal Controls Specified above. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than the members of the Authority, or for any purpose other than which it was prepared.
