Strategic Plan 2021-2025

Vision

For South Australian councils to work together as willing and trusted partners in government, for the benefit of our communities.

Mission

To provide leadership, support, representation and advocacy on behalf of South Australian councils.

Advocate

Achieve greater influence for local government

We are close to our members, seek their feedback and represent them with evidence-based advocacy on issues that matter.

Governments rely on our proactive contribution to policy and legislation that impacts councils, leading to better outcomes for communities.

Communities understand and value the services provided by local government, and are encouraged to participate in council processes.

Assist

Build the capacity of member councils

We are close to our members and understand their capacity and capability needs.

Councils draw upon our resources, services and advice in order to save time and money, and reduce risk.

Councils are engaged in addressing sector-wide priorities, including local government reforms and achieving greater financial sustainability.

We leverage grant funding for the benefit of councils, and their communities.

Advance

Facilitate continuous improvement in local government

We research and communicate on emerging issues for councils and their communities.

New partnerships and services help councils innovate and prepare for the future.

We provide access to systems that provide councils with the evidence base for continuous improvement.

The local government sector maximises the use of emerging technology, while effectively managing cyber risks.

Achieve

Embed best practice governance and operations to enable the LGA to provide value to members

We lead by example in the governance and operations of the LGA.

The LGA's financial sustainability is supported by a growth in revenue from value-adding member services and LGA Procurement.

We provide a safe, healthy and rewarding work environment.

Systems and technology improve LGA operations and allow us to better serve our members.
