

## **Across Government Contract for the Provision of Postal Services**

The South Australian Government Postal Services Agreement with Australia Post secures a range of discounts off Australia Post's optional services and a range of benefits to assist customers in sourcing postal services.

The Agreement is managed by Strategic Procurement within Department of the Premier and Cabinet on behalf of the Minister for the Public Sector, and secures discounted pricing for a range of optional services to be made available to customers throughout the term.

Australia Post's Optional Services, incorporates:

- Parcel Services;
- Courier and Freight Services;
- e-Parcel Services;
- Customer Data Cleansing;
- International Post and Pack and Track;
- Print Post; and
- Unaddressed Mail.

The Agreement commenced on 1 November 2015, to remain in place for a period of two (2) years, until 31 October 2017, with an optional additional three (3) periods of twelve (12) months.

The contract does not attract a Contract Administration Fee/Levy.

Local Government customers wishing to gain access to this Agreement will be required to complete and return an 'Agency Opt-In Notice' application form to the Contract Manager (details below).
