

LGA Local Government Transport Advisory Panel — Call for Nominations

Purpose/Objective	"The LGTAP oversees the governance and operations of the Special Local Roads Program (SLRP), a program that has been in place in South Australia since 1985. Since its inception, it has supported South Australian councils to construct and maintain significant and strategic local roads that otherwise would exceed an individual council's capacity. Its existence is built on the premise that the local government sector as a whole benefits from councils pooling a portion of their road funding. The LGTAP's role is to consider applications for SLRP funding and make recommendations to the LGA Board of Directors, which flow to the South Australian Local Government Grants Commission and relevant State and Federal ministers for approval. A link to the LGTAP's Terms of Reference (ToR) is available here."
