

CWMS Management Committee — Call for Nominations

CWMS Management Committee	
Governing Statute (if applicable)	established in accordance with the Funding Deed between the Minister for Local Government and the LGA
Purpose/Objective	The Committee: - Is responsible for providing oversight of funding distribution through the CWMS program. The Committee's key functions include to assess applications for CWMS Scheme funding from councils, establish funding priorities, and monitor funding deed requirements; and - Provides advice to the LGA Board and the responsible State Government Minister(s) in accordance with the SWMS Funding Deed.
Administrative Details	- Meets at least quarterly at the venue and time determined by the Chair. - No remuneration is payable to CWMS Committee members. - Ideally the Sector Member and proxy Sector Member will be known to each other to facilitate information provision. - Nomination must be endorsed by Council CEO
Selection Criteria (to be addressed by applicant)	extensive skills and experience in project management, construction and operations of CWMS schemes, local government, financial management and governance
<i>Selection for appointment or nomination to the CWMS Management Committee may include the conduct of interviews and checking of referees by the LGA. By applying, the applicant accepts that the LGA may request an interview and/or the details of referees.</i>
