

Community Managers Network

Mission Statement: *To lead local government in responding to the changing nature of communities, community services and community development.*

Strategic Aims:

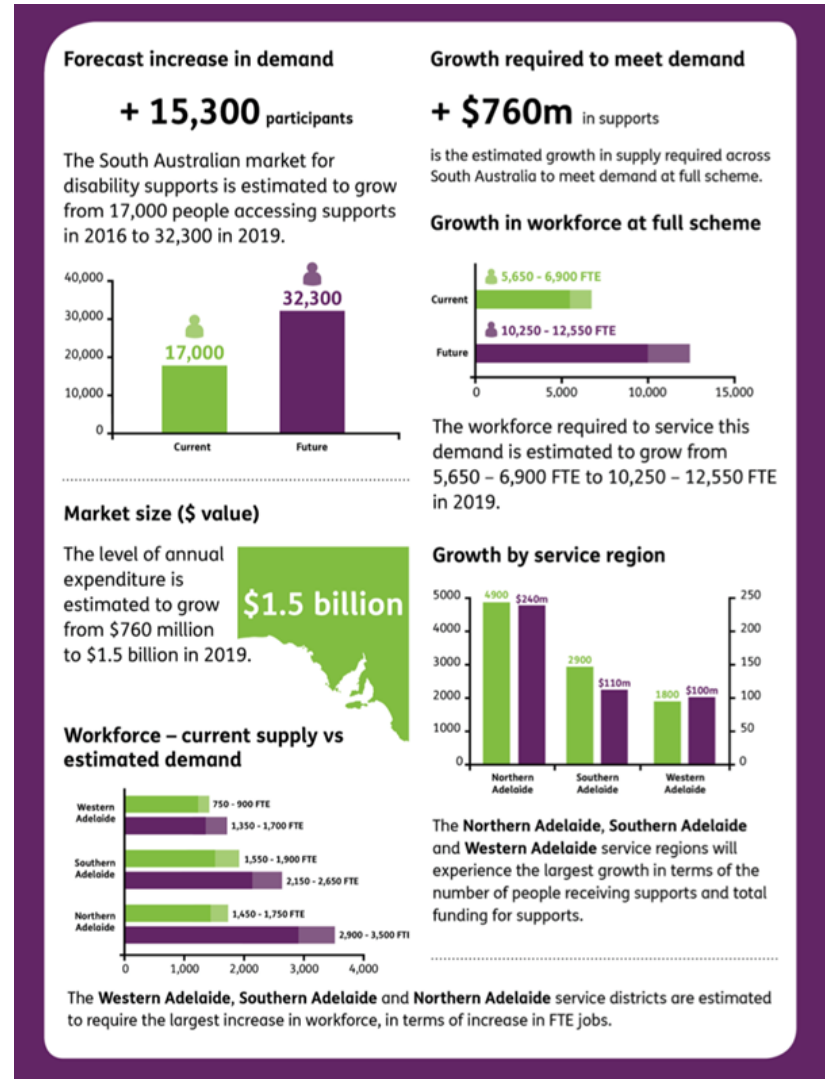

1. Advocate for priority social issues and emerging concerns that have strategic policy and/or social impact
2. Providing mutual support and facilitating exchange of knowledge and best practice
3. Broadly promote the value of local government community services and community development work

NDIS research project

Key findings

- NDIS 2016 market position report
- Local Area Coordinators (LACs)
- NDIS plans
- Client advocacy
- Survey outcomes
- Service providers
- Service gaps

Next steps

- Work with the LGA to advocate
- Support LGAIN
- Investigate economic development model
- Work with Legatus
- Share good practise
