8. Outstanding issues from 2013/14 requiring action
 - The LGA still receives queries from Councils regarding the status of their applications. It may be beneficial to consider formally providing a copy of the spreadsheet of recommendations to each Regional LGA and the Metropolitan Local Government Group for distribution as they see appropriate. Note: this was raised last year and also included discussion on asking Councils to provide a letter of confirmation of Council's intention to complete the project as per applications (new projects only). This will help to avoid Councils cancelling their project shortly after funding is approved
9. Federal Government Budget 2014
 - Supplementary Local Road Funding – loss of 2.7 million
 - Freezing of Financial Assistance Grants Indexation from 2014/15
