 - Mr Ray Agnew
 - Mr Peter Ilee
 - Mr Don Hogben
3. Additional Roads to Recovery funding
 - \$3.655m for 2015/16
4. Review Recommendations Spreadsheet for Round 2 2015/16 SLRP Applications
 - Patricia advised that applications provided for an additional stage of an already recommended project are shovel ready. Patricia spoke with each of the Council's involved.
 - New submissions and/or recommendations were received from the Regional LGAs and Metropolitan Local Government Group for the additional Roads to Recovery funding available.

- The Panel discussed the submissions and recommendations received. The additional \$3.655 Roads to Recovery funding was allocated to projects fairly and based on the recommendations received and previous allocations made to the regions and metropolitan Councils.
- For the Southern & Hills LGA region it was recommended that Rapid Bay Road Stage 2 be fully funded to finish that project for the region. Given the funding available, this meant that only a portion of Ocean Road Stage 2 could be recommended for funding.
